Accessibility Statement for WJP Software Limited v2.0

Scope

WJP Software Limited is committed to ensuring digital accessibility for people with disabilities. We are continually working to improve the user experience for everyone and to ensure the relevant accessibility standards are attained.

Measures to support accessibility

WJP Software Limited takes the following measures to ensure accessibility of WJP Software Limited:

- Include accessibility throughout our internal policies.
- Provide continual accessibility training for our staff.

Conformance status

The Web Content Accessibility Guidelines (WCAG) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA.

WJP Software Limited is fully compliant to WCAG 2.1 level AA and partially conformant with WCAG 2.1 level AAA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.

Feedback

We welcome your feedback on the accessibility of WJP Software Limited. Please let us know if you encounter accessibility barriers on WJP Software Limited:

Contact us using our Contact form. We aim to respond to feedback as soon as possible.

Assessment approach

WJP Software Limited assessed the accessibility of WJP Software Limited by the following approaches:

- Penetration Testing
- Self-evaluation
